

***Businesses:* Reach your clients, customers or prospects while helping Santa Margarita High School Athletes**

Now your business or practice can reach hundreds of Santa Margarita High School families and thousands of others throughout the area for a small, tax-deductible donation. Or, you can just show your individual support of the team with a message, photo or quote.

For only \$100 per season your ad and/or logo with a link to your own web site (if applicable) will appear on the Official Santa Margarita HS Boy's Cross Country web site.

Take a look! Go to <http://www.smeaglesxctf.org/xc/>

All Santa Margarita athletes, parents and boosters have been encouraged to actively support and frequent the businesses that help sponsor the team. Your sponsorship donation will help fund uniforms for the Boy's Cross Country Team.

An additional \$100 will fund another ad spot on the Boy's Track & Field website, giving you year-round coverage for only \$200!

Won't you join us?
